EVERYDAY DISCIPLES

Learning together from the
Church in Corinth

Sundays (11am & 7pm)
and Wednesday Evenings

September - December, 2017

Everyday Disciples

The call to follow Jesus is always lived out in real time, by real people, in real places. This term on Sunday mornings we step in to the first century city of Corinth for a series on 1 Corinthians entitled *Everyday Disciples*.

In this letter we see a worked example of what everyday life looks like (including the joys and the struggles) for those seeking to live their lives for Christ.

Our 11am service includes a supervised creche, a full children's provision for pre-primary and primary age kids, and a teenage Bible Class.

On the weekend of **Saturday 21st - Sunday 22nd October** we look forward to welcoming Ken and Helen Clarke to Ballyhenry for a special weekend of challenge and encouragement entitled **Wholehearted**. Events planned include a Men's Breakfast (Saturday morning) and Ladies' Afternoon Tea (Saturday afternoon) alongside two special services on the Sunday.

Do be encouraged to put these dates in your diary and do pray that through this weekend we, as individuals and as church, will find ourselves strengthened and inspired to follow after Christ with all our hearts.

More details for this special weekend will follow in due course. Meantime if you require any further info on any aspect of life in Ballyhenry email: info@ballyhenry.org or call: 028 90836046
